

# Window and door rebates

Use this checklist to ensure you have all the required information for your application.

- photos of your manufacturer's label for each window and/or door
- a detailed invoice from the window/door installer
- apply for your rebate within six months of the date on your invoice

Fill out this information for each model of window/door you installed.  
Work with your contractor to ensure you have all required information.

**This document is not a rebate application nor does it replace an invoice. You will still need to submit an invoice along with your application.**
